April 2015

Dear Friends,

**'Living the Life' Diocesan Conference Saturday 21st November, 2015
Trinity Centre, Meole Brace, Shrewsbury**

Please find attached a poster for the 'Living the Life' Diocesan Conference on Saturday 21st November, 2015, at which Stephen Cottrell (Bishop of Chelmsford and author), will be the keynote speaker. This conference is organised jointly by Lichfield and Hereford dioceses.

It would be great if you could please distribute the date in your parish(es) and spread the word! Paper posters and booking forms will arrive in the post in early September, meanwhile more details can be found on the Diocesan websites. Wherever possible, please link to this information from your own websites.

The conference promises to be full, exciting and inspiring with some of the best and most popular speakers from across our dioceses, great worship, excellent hospitality and food – all at an affordable price.

A programme for children is planned but will need to be pre-booked.

We very much hope that lots of people from your congregations will be able to attend. There are discounts for groups and for early booking and we can take bookings and card payments conveniently over the phone.

Please encourage your congregations to get their bookings in as soon as your booking forms arrive, to get the very best value for money.

Links to further information will be on the Diocesan Website in due course or call 01743 242660

We look forward to hearing from you and welcoming your congregations to 'Living the Life'.

Yours in Christ,

+ Alistair
